Live Lab AG is a live communication agency in the vibrant district 4 in the heart of Zurich. We are driven by LIVE. Encounters fascinate us because the magic of people lies in togetherness. Creating such encounters and turning them into unforgettable experiences is our passion and curiosity. From strategy to creation to implementation, we work collaboratively with our clients on the production of real and virtual events, as well as cross-media communication.

WE ARE LOOKING FOR

To strengthen our team with immediate effect or by arrangement a committed and qualified

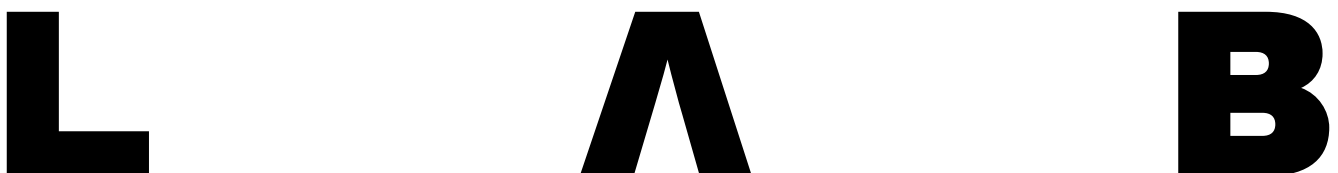

Freelancer for 3D visualisations in the event and interior design sector

YOUR TASKS

- Development of concepts and visualisations for stage designs, exhibition stands, exhibitions and temporary architectural projects in the events sector
- 3D modelling and texturing of event and architecture projects
- Creation of realistic lighting scenes and renderings
- Support in the visualisation of event concepts and temporary installations
- Work closely with our creative team to turn design visions into impressive 3D representations
- Additional: animation of virtual tours, exhibition and stage productions

YOUR PROFILE

- You have extensive experience in 3D modelling, texturing, lighting and rendering
- You are proficient in all relevant 3D visualisation programmes, including CAD (AutoCAD, Rhino), Cinema 4D, Blender, 3ds Max, V-Ray and Adobe Creative Suite (Photoshop, Illustrator)
- Excellent eye for detail and a keen affinity for design and architecture
- Experience in event and trade fair construction is an advantage
- You work independently and value collaboration in an interdisciplinary team
- You are highly flexible and quick on the uptake

WHAT WE OFFER

- An exciting environment with a lot of responsibility and considerable creative freedom in a young agency for communication, brand experience and live marketing
- Cross-team work within our creative and implementation network, in which you can get involved
- Clear briefings, structured processes and open communication
- You can work remotely or on-site, depending on the project requirements
- Fair remuneration and transparent agreements

INTERESTED

Then send us your portfolio, a brief introduction to your skills and your daily rate to jobs@livelab.com. We look forward to getting to know you!
